

HOW TO HELP!

The Okefenokee Swamp Park, Inc. (OSP) is a 501(c)(3) non-profit dedicated to showcasing and conserving the wildlife and vast wilderness, waterways, habitats and rich cultural history of North America's largest "blackwater" swamp. The OSP opened its gates to the public in October of 1946 and has welcomed millions of visitors from around the globe to enjoy this unique window into the Swamp.

Our OSPreySociety has been created to allow individuals and corporations to make meaningful contributions to protect our Okefenokee ecosystem for this and future generations. Members of the OSPrey Society will be accorded certain benefits, which may change year-to-year as adopted by the Board of Trustees.

Your generosity will put innovative conservation strategies into action to protect the natural world that nurtures and inspires us all. Join the Okefenokee's inner circle of dedicated members today. The challenges facing Okefenokee have never been greater and the need for bold solutions has never been more urgent. Your generous support will translate into action right now – and there are many ways you can help.

DONATE TODAY!

We appreciate all investments that help us to accomplish our mission, to provide visitor access and interpretive education that inspires conservation advocacy for the Okefenokee Swamp.
